WASHINGTON ITEMS .- FIRE .-- At about a Merina Vests. quarter before 12 o'clock, on Monday night, GOODs, all of our own manufacture, and which a fire broke out in a row of four or five twostory houses, situated on F street, near 22d. belonging to Mrs. Mary Bevan, and going under the name of "Lewis's row." flumes spread with great rapidity, barely leaving time to the inmates to get themselves and some few articles out of the way. The roots of these buildings were covered with pebbling set in a bituminous compound, the effect of which was to invite the flames irresistibly throughout the whole length of the Flannels, Yarns, Brown and Bleached Domesrow, ensuring its speedy destruction. This property was partly insured, but one of the chapte represe ted himself to have lost \$500 in money deposited in a bureau upstairs, which could not be reached on account of the fire.

A SAD ACCIDENT occurred on Monday evening, a little after 7 o'clock, whereby Mr. Daniel Walsh, living at the Navy Yard, was quite seriously injured. The mail wagon from the ears for the Southern boat, laden with mail matter, and containing four men, came rushing down Third street towards Peopsylvania avenue, at a rapid pace, and as it was about crossing the fligway between the St. Charles and the Washington House, overtook two ladies, and Mr. Walsh, who were passing. The ladies were just far enough on their way to escape being struck down by the borses, but Mr. Walsh was not so fortunate. The pole struck him to the earth, and in an instant more he was run over by two wheels of the wagon, one passing over his right thigh, fracturing it, and the other over his left ankle, which is also

similarly injured. AN ACCIDENT occurred yesterday afternoon, about two o'clock, whereby Messre. Chapin and Price, two of the members of the Board of School Trustees, were considerably injured. They, in company with the Mayor and Dr. Ironside, of the First Dietrict, had gone to the Navy Yard to make a him again. He lett in company with two other visit and inspection of the schools, and were negro boys. [sep 22-eoti] A. S. The Mayor and Dr. Ironside were not injured, but Mr. Chapin was burt on the chest and thigh, and Mr. Price received some contusions on the face and head .-- Nat. Int.
